

CARE PLUS SPF 50+ SUNSCREEN LOTION

PRODUCT DESCRIPTION

CARE PLUS SPF 50+ Sunscreen Lotion is an advanced broad-spectrum sun protection formula specially developed to help protect skin against harmful UVA and UVB rays. Enriched with nourishing emollients and Shea Butter, this lightweight, non-greasy lotion moisturises the skin while providing effective protection during outdoor activities, beach holidays and everyday sun exposure.

Suitable for all skin types.

Benefits

- ✓ Broad Spectrum UVA & UVB Protection
- ✓ SPF 50+ High Sun Protection
- ✓ Helps prevent sunburn and photoaging
- ✓ Water Resistant Formula
- ✓ Non-Greasy & Fast Absorbing
- ✓ Moisturises and Nourishes Skin
- ✓ Suitable for Tropical Climate

Directions for Use

Apply liberally and evenly on face and body at least 15-20 minutes before sun exposure.

Reapply:

- * After swimming or excessive sweating.
- * Immediately after towel drying.
- * Every 2 hours during prolonged sun exposure.

For best protection, use daily.

Active Ingredients

Contains approved UV Filters, Shea Butter, Vitamin E, Skin Conditioning Agents and Moisturising Base.

(List actual ingredients as per formulation in descending order.)

Warnings

- * For external use only.
- * Avoid contact with eyes. In case of contact, rinse thoroughly with water.
- * Discontinue use if irritation or rash develops.
- * Keep out of reach of children.
- * Do not stay too long in the sun, even while using sunscreen.
- * Excessive sun exposure is a serious health threat.
- * Avoid application on damaged or broken skin.

Storage

Store below 30°C in a cool and dry place. Protect from direct sunlight and excessive heat.

Shelf Life

Best Before 36 Months from the Date of Manufacture.
